

# IES/GATE/PSUs

## CLASSROOM STUDY COURSE

For more details visit : [www.iesmadeeasy.org](http://www.iesmadeeasy.org)

- IES MADE EASY (a unit of MADE EASY Education) offers high quality & targeted, comprehensive Classroom training programmes for IES, PSUs and other competitive examinations for following streams:

### BRANCHES

- ▲ **Electronics Engg.**
- ▲ **Mechanical Engg.**
- ▲ **Electrical Engg.**
- ▲ **Civil Engineering**
- ▲ **Computer Science & IT**

### ANNOUNCEMENT OF NEW BATCHES : 2010-11 SESSION

Batches	Date of Commencement
Electronics & Telecom. Engineering (Regular)	3rd June, 2010
Mechanical Engineering (Regular)	7th June, 2010
Electrical Engineering (Regular)	10th June, 2010
Computer Science & IT (Regular)	15th June, 2010
Civil Engineering (Regular)	1st July, 2010
CS, E&T, Mechanical & Electrical Engineering (Weekend)	5th June, 2010

## POSTAL STUDY COURSE

For more details visit : [www.iesmadeeasy.org](http://www.iesmadeeasy.org)

- MADE EASY Education provides distance learning programmes for IES, GATE & PSUs (separately). The study material is developed by MADE EASY research & development wing, which has been working since last one decade. The study material is compact & effective which is neither bulky nor vague. Instead it is easy to understand and has unique presentation of all the subject as per requirements of examination. MADE EASY team has worked hard to provide error free text and smart & shortcut methods to solve problems.
- The study material includes full coverage of syllabus of respective examination including technical and non technical\* sections both (\*for IES & PSUs). The study material includes subjectwise sequentially presented theory sections and practice sets which include solved questions with answers and explanations.
- The study material is proved to be highly useful for all the examinations. The previous feedback of the students is highly appreciable who have succeeded in various examinations like IES, GATE, NTPC, NHPC, DRDO, ISRO, BEL, BHEL, BSNL, SAIL & other examinations.
- The postal course for all examinations is not same but it is of three types 1. for GATE 2. for IES 3. for PSUs. The standard of GATE examination is different from standard of PSUs similarly standard and pattern of IES is different than other examinations, therefore study material is designed separately as per requirement of the examinations.
- Study material consist latest updation and current developments are sent time to time. Study material includes previous solved questions of 6 to 10 years. The study material is sent in 2 to 4 packages with a time interval of 15 days to one month. Current affairs for IES are sent before one month of the examination.
- Though study material is not exclusively designed for IAS (UPSC Civil Services Examination) but IES Study Material fulfils all the requirements of IAS Examination, therefore civil services aspirants can also refer IES study material.
